Revision of Officers' Pay, Half-Pay and Service Retired Pay on account of Variation in the Cost of Living. A O. 1
1931

GEORGE R.I.

48
General
6556 WHEREAS it is provided in Article 2 of Our Warrant for the Pay, Appointment, Promotion and Non-Effective Pay of Our Army, dated 12th March, 1926, that the rates of pay, half-pay and service retired pay of officers shall be subject to revision either upwards or downwards to an extent not exceeding 20 per cent. in relation to the variation in the cost of living since 1st July, 1919, and that revision may take place with effect from three years from 1st July, 1927 ;

AND WHEREAS it is provided in Our Warrant dated 20th December, 1929,* that a reduction of 7 per cent. shall be applied to the aforesaid rates from 1st July, 1930, to 30th June, 1931, after which OUR FURTHER WILL AND PLEASURE will be made known ;

OUR WILL AND PLEASURE IS that a reduction of 8 per cent. shall be applied to the aforesaid rates from 1st July, 1931, to 30th June, 1933, after which further revision may take place as provided in Article 2 of Our said Warrant dated 12th March, 1926 ;

OUR FURTHER WILL AND PLEASURE IS that the aforesaid reduction shall be applied in accordance with the terms of Article 2 of Our said Warrant dated 12th March, 1926, and in a similar manner to the reduction of 5½ per cent. ordered with effect from 1st July, 1924, by Our Warrants dated 27th June, 1924, and 28th February, 1925.†

Given at Our Court at St. James's, this 27th day of January, 1931, in the 21st year of Our Reign.

By His Majesty's Command,

T. SHAW.

Army Orders.—January, 1931

A.O. 1

1931

Army Council's instruction on the foregoing Warrant

1. Army Order 237 of 1929 applied a reduction of 7 per cent. from officers' pay, half pay and retired pay for the period 1st July, 1930, to 30th June, 1931, and this constituted, as was pointed out in the Army Council's instruction to that Army Order, a temporary departure from the rule laid down in Army Order 383 of 1925 for determining the percentage reduction. The application of this rule would have resulted in a reduction of 8 per cent. for three years from 1st July, 1930.

2. Owing to the continued fall in the Ministry of Labour cost of living index figure it has been decided to apply, for the period 1st July, 1931, to 30th June, 1933, the percentage reduction which would normally have been applied for the full triennial period from 1st July, 1930, and this is effected by the foregoing warrant.

3. The following tables show the new rates of pay and half pay corresponding to the rates laid down in the Pay Warrant, 1926.

WHEREAS it is imperative to secure economy in public expenditure ;

AND WHEREAS WE deem it expedient to bring into effective operation at an earlier date the pension scales laid down in Our Warrant dated 12th February, 1930,* for soldiers, the depots of whose units are situated in the United Kingdom or the Isle of Man, in place of the higher corresponding scales laid down in Our Warrant dated 13th September, 1919,† and 14th October, 1921‡ ;

Given at Our Court at St. James's, this 1st
 day of October, 1931, in the 22nd year
 of Our Reign.

By His Majesty's Command,

CREWE.

Army Council's instruction on the foregoing Warrant

The effect of this Warrant is to make the reduced scales of pension introduced in 1930 applicable to every soldier who has not re-engaged or re-enlisted to complete 21 years in order to qualify for pension, instead of to those men only who enlisted on or after 1st April, 1930.

Men who, before the date of this Warrant, have already undertaken by re-engagement, re-enlistment, &c., to complete 21 years for pension, including those who have completed 21 or more years' service, will still be allowed the higher rates. Men eligible to re-engage before the date of this Warrant who have not yet done so may have the benefit of this concession provided that they apply, and are recommended for, re-engagement before 1st January, 1932. Apart from this concession, all future awards will be at the 1930 rates.

WHEREAS it is imperative to secure economy in public expenditure ;

AND WHEREAS WE deem it expedient to bring into effective operation at an earlier date the revised service pension scale for soldiers of Our Royal Malta Artillery which was promulgated by Our Warrant dated 19th February, 1930,* in place of the higher corresponding scales laid down in Our Warrant dated 21st July, 1921,† and in Our Warrant for the Pay, Appointment, Promotion, and Non-Effective Pay of the Army dated 15th July, 1922 ;

Army Council's instruction on the foregoing Warrant

The effect of this Warrant is to make the reduced scales of
 pension introduced in 1930 applicable to every soldier who has
 not re-engaged or re-enlisted to complete 21 years in order to
 qualify for pension, instead of to those men only who enlisted on
 or after 1st April, 1930.

Men who, before the date of this Warrant, have already under-
 taken by re-engagement, re-enlistment, &c, to complete 21 years
 for pension, including those who have completed 21 or more
 years' service, will still be allowed the higher rates. Men eligible
 to re-engage before the date of this Warrant who have not yet
 done so may have the benefit of this concession provided that
 they apply and are recommended, for re-engagement before
 1st January, 1932. Apart from this concession, all future awards
 will be at the 1930 rates.
